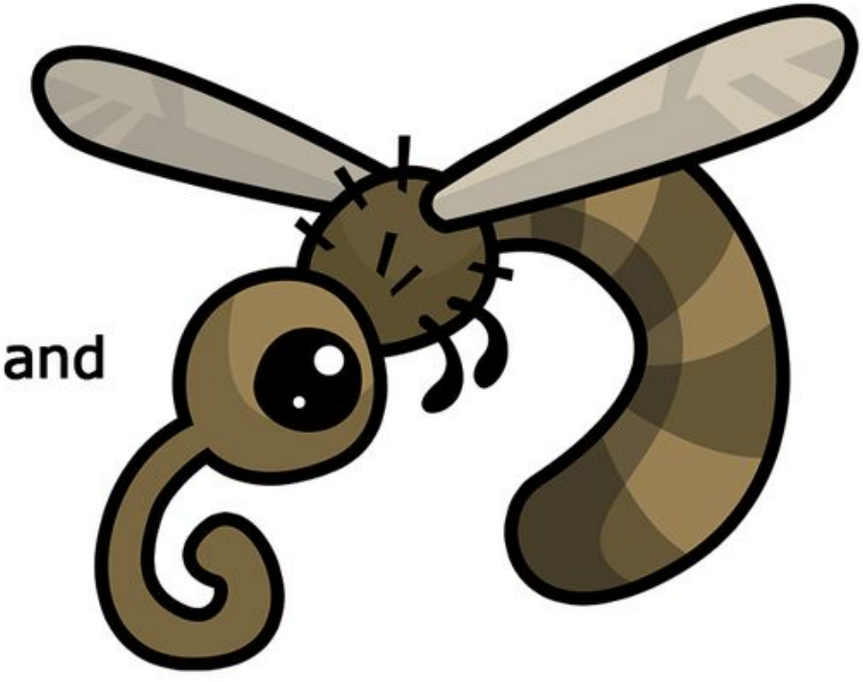
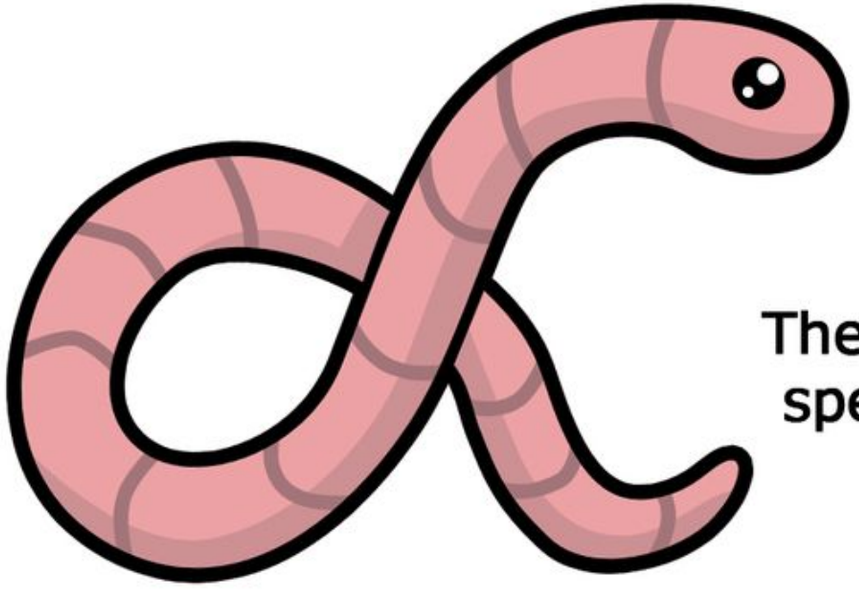
MOSQUITO

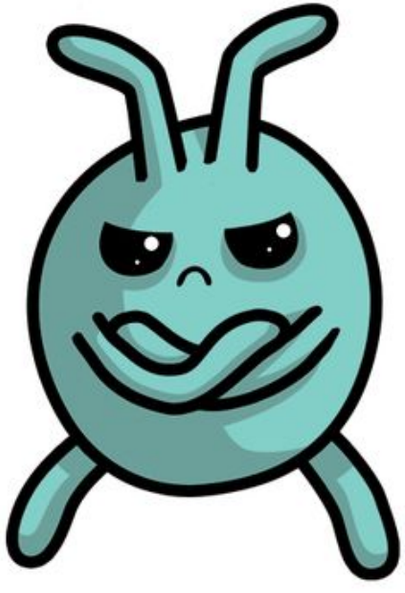
They fly back and forth, avoid them and keep fleas away as they are deadly





LONG WORM

They wriggle in straight lines at a fast speed. Get out of their way quickly

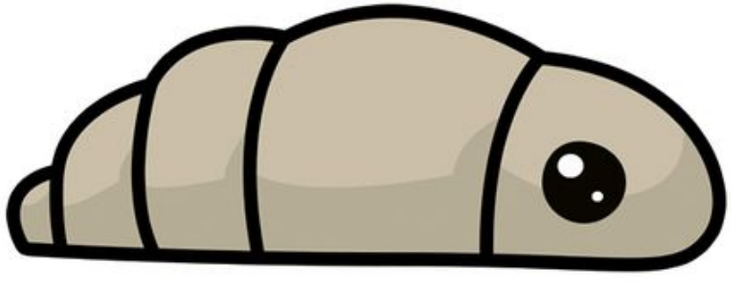


TICK

These guys like to pick a spot
and just jump in your way

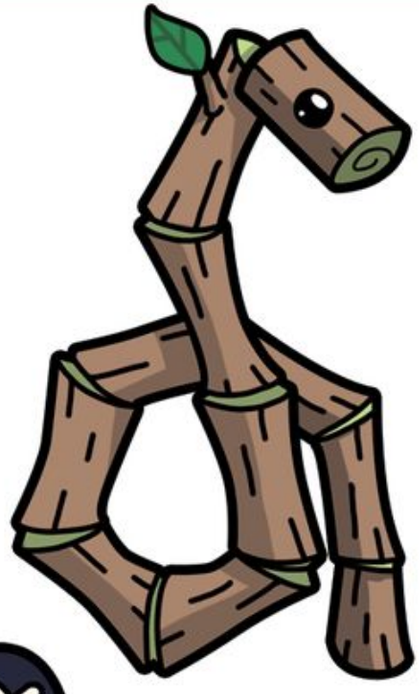
TINY FLIES

They are set on a defined route but change
the enviroment and they will reroute



MAGGOT

They move slowly on the ground.
Don't touch them, they are deadly
to fleas and worms



WOOD WORM

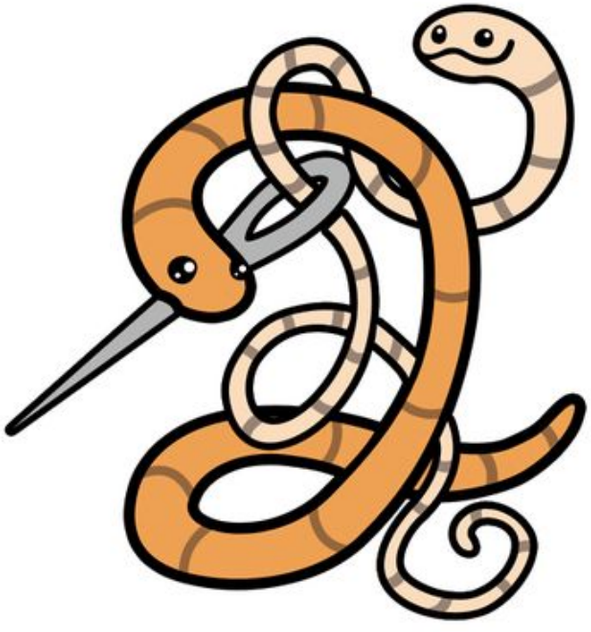
This stick insect runs the local cabaret bar. She likes brass but is a woodwind fan at heart

RING WORM

He's a chill fashion icon in the flea fashion world and plays some blinging tunes

HOOK WORM

He runs a line of pubs called bait and is likely to start a flea shanty out of the blue



NEEDLE AND THREAD WORM

These 2 run the electro club and are inseparable. They often work for whoever is the highest bidder

SILK WORM

She runs the local witch house club. Fleas have been known to enter a trance like state for days after visiting

TAPEWORM

He runs the local disco. This is one of the fleas' favourite places. They feel safe and have find here

FLEADA

She is a cabaret singer at the local club. She loves to walk which can be dangerous when under nefarious influences

FLEADOM FIGHTERS

These 3 fight for the interests of the fleas. They won't stand for any wrong doing

RICK ITCH-HIKER

He's a free spirit traveling the many great beasts but also a bit of a coward

FRANK

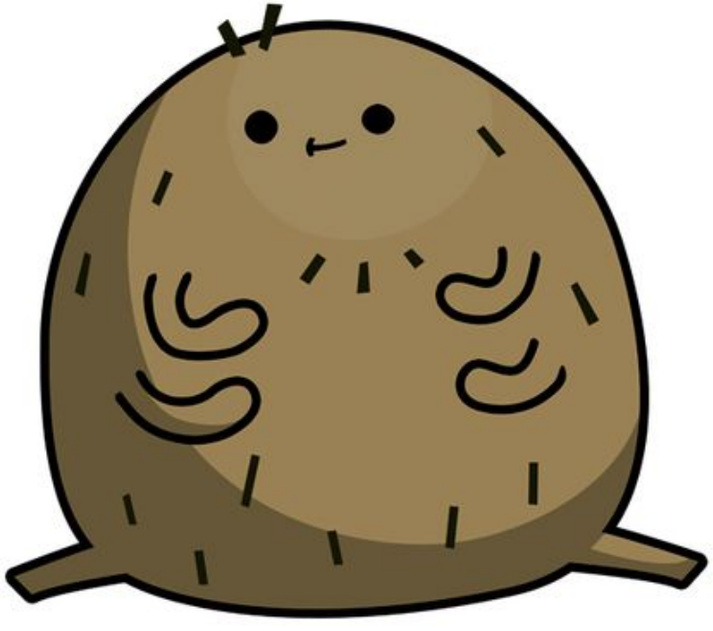
This mad flea is always experimenting with new substances with mixed results

FLEAS

Most fleas just love to jump and drink blood. Help them collect it

HUMFLEA

He is a fan of fine blood but can often be found busting a move at a slippery foam party



BIG

He is a big softy. He runs the orphanage and knows all the juicy gossip on the beasts

FLEX

He has so much energy and is often the last one left on the dance floor
